Modifications

26. The Company may, at any hearing of the Court to sanction this Scheme, consent on behalf of all Noteholders to any modification of this Scheme or any terms or conditions which the Court may think fit to approve or impose and which would not directly or indirectly have a materially adverse effect on the interests of the Security Agent or any Scheme Creditor (including, for the avoidance of doubt, the Trustee) under this Scheme.

Obligations on dates other than a Business Day

27. If any sum is due or obligation is to be performed under the terms of this Scheme on a day other than a Business Day, the relevant payment shall be made, or obligation performed, on the next Business Day.

33. The operative terms of this Scheme and any non-contractual obligations arising out of or in connection with this Scheme shall be governed by and construed in accordance with the laws of England and Wales. Part 2
EQUITY TERM SHEET

**Schedule 7 -
Equity Term Sheet**

This Summary of Terms and Conditions outlines the material terms of the New Topco Articles referred to in the Lock-Up Agreement, of which this Equity Term Sheet is a part. Certain capitalized terms used herein but not defined herein are defined in the Lock-Up Agreement.

A. Overview

The ultimate parent company of the restructured Group will be TopCo. On the Restructuring Effective Date, TopCo will issue Ordinary Shares (the “New TopCo Ordinary Shares”) in the amounts and to the persons contemplated by the Lock-Up Agreement.

Prior to the Restructuring Effective Date, TopCo will adopt Articles of Association (and, if required enter into a shareholders agreement) reflecting the terms of this Equity Term Sheet (the “New TopCo Articles”).

B. TopCo

I. General

Issuer: TopCo, a private company limited by shares with no par value to be incorporated in the Bailiwick of Jersey (“TopCo”), the direct owner of MidCo and indirect owner of 100% of the outstanding shares of Bibby Offshore Holdings Limited following the Financial Restructuring

Issue: Equity will take the form of ordinary shares in TopCo (the “Ordinary Shares”), which Ordinary Shares shall have all voting and economic rights.

Dividends and other Distributions: Dividends and other distributions on the Ordinary Shares, including by way of capital reduction or in liquidation or winding-up of TopCo, will be payable pro rata to the holders of the Ordinary Shares.

Ordinary Shareholder Voting: Each Ordinary Share will have one vote.

Resolutions will be passed by the affirmative vote of holders of a simple majority (more than 50%) of the Ordinary Shares entitled to vote thereon present and voting (in person or by proxy) at the relevant meeting (a “Ordinary Shareholder Simple Majority”), except for:

- (i) the Ordinary Shareholder reserved matters set out in Part A of Appendix I that require approval by affirmative vote of holders of a supermajority of at least 75% (a “75% Supermajority”) of the Ordinary Shares entitled to vote thereon present and voting at the relevant meeting; and
- (ii) any other Ordinary Shareholder matters that may require greater majority than Ordinary Shareholder Simple Majority in accordance with applicable law.

Notwithstanding any provision herein to the contrary, the issuance of any Ordinary Shares in accordance with the MIP shall not constitute a matter requiring a 75% Supermajority approval or

otherwise require any Shareholder approval.

Resolutions may also be passed by written resolutions of the Ordinary Shareholders circulated in accordance with applicable law.

Documentation Principles:

The New TopCo Articles will be drafted by counsel to York and shall be in a form such that, if and when adopted by an affirmative vote of the holders of Ordinary Shares in accordance with applicable law, they are consistent with the Lock-Up Agreement, including this Term Sheet.

II. Board of Directors

Board Constitution:

The New TopCo Articles will state the minimum and maximum number of directors required on the Board. The Board shall initially be comprised of 5 directors.

Each Ordinary Shareholder (other than a shareholder holding a majority of the outstanding Ordinary Shares) ("Minority Shareholder") that owns at least 10% of all outstanding Ordinary Shares (a "10% Shareholder") shall be entitled to appoint one non-executive director (hereinafter referred to as "10% Investor Directors"), provided (i) there shall be at any time not more than two 10% Investor Directors, (ii) if the exercise by 10% Shareholders of their rights to appoint a 10% Investor Director would result in the appointment of more than two 10% Investor Directors, the Ordinary Shareholders with the largest number of Ordinary Shares shall prevail over the rights of the Ordinary Shareholders holding smaller numbers of Ordinary Shares and (iii) the right to appoint a 10% Investor Director shall not be terminated as result of any Ordinary Shareholder's shareholding falling below 10% other than due to sale by such Ordinary Shareholder of any of its Ordinary Shares. If a 10% Shareholder does not exercise its right to appoint a 10% Investor Director, that right shall pass to the next largest Ordinary Shareholder that has not already appointed a 10% Investor Director. The failure to appoint a 10% Investor Director at any time shall not be deemed to constitute a waiver of the right to make an appointment.

Except as set out in the immediately preceding paragraph, the appointment and removal of directors shall be approved by an Ordinary Shareholder Simple Majority.

Board Observers:

Each Minority Shareholder that owns at least 5% of all outstanding Ordinary Shares (a "5% Shareholder") who has not appointed a 10% Investor Director shall be entitled (but have no obligation) to appoint an observer to the Board. Such Board observers may attend Board meetings and receive all information distributed or circulated to the Board but cannot speak or vote and shall not count towards quorum. The failure to appoint a Board observer at any time shall not be deemed to constitute a waiver of the right to make an appointment.

If at any time a 5% Shareholder has not appointed a director or observer, such 5% Shareholder shall be entitled to receive the

information distributed or circulated to the Board in respect of its meetings.

Notwithstanding the foregoing, the Company may (i) redact any information from the materials delivered to any Board observer or any 5% Shareholder that it determines any information to be commercially sensitive or otherwise not appropriate for circulation outside of the Board and (ii) require that any Board observer or any 5% Shareholder enter into a confidentiality agreement prior to receiving any Board information (which shall include a restriction on use of such information).

Directors' fees:

Non-executive directors will receive a reasonable and customary director's fee subject to an aggregate maximum amount to be determined by the Board (or a committee thereof) (provided the director is not an employee of a Group Company) plus reimbursement of reasonable out-of-pocket expenses.

Executive directors will receive remuneration in accordance with their service contract (which shall be approved by the Board (or a committee thereof)).

Board Meetings:

The frequency of Board meetings shall be determined by the Board but shall be at least four times per year.

Board information pack, agenda and management accounts will be circulated with notice of the meeting and agenda at least five days before each meeting, and such notice period can be shortened or waived by a simple majority of the directors together with the consent of all Investor Directors from time to time.

Board Voting:

Quorum requires a majority of all directors. Each board member has one vote. The Chairman has a casting vote.

Board resolutions are passed by the affirmative vote of a simple majority of the directors present or represented at the meeting (or action by a simple majority of directors by written consent).

Action may be taken by the board by unanimous circular resolution or telephonic meeting.

Affiliated Transactions:

Notwithstanding any other provision of this Equity Term Sheet, the entry into, or material amendment, or termination of, a transaction, or any other matter involving any Group Company in which an Ordinary Shareholder (or any affiliate of an Ordinary Shareholder or fund or managed accounts managed or advised by the same investment manager or adviser as an Ordinary Shareholder or an affiliate of such investment manager or adviser) has a direct or indirect interest, must be undertaken in good faith on arms' length commercial terms not less favorable to the relevant Group Company than those available from third parties, except that (i) any payments to or in respect of third party advisers or (to the extent properly chargeable to and agreed by the relevant Group Company) employees of any Shareholder or their respective affiliates, in respect of fees, costs or expenses incurred in connection with the Financial Restructuring shall not be considered a transaction with

an affiliate for the purposes of this provision and (ii) any transaction approved by the 75% Supermajority shall be deemed to comply with this provision.

Board Committees:

The Board shall establish and delegate responsibilities to committees as it deems prudent and in accordance with applicable law.

MIP:

Promptly following the Restructuring Effective Date, the Board, or its designee committee, will consider and adopt a Management Incentive Plan (“MIP”) to include options for senior management to purchase non-voting Ordinary Shares or other equity or equity-linked instruments in an amount to be determined by the Board or the relevant committee.

III. Cooperation; Information

Exit Strategy:

An Exit Event (other than such an event that comprises the exercise of tag-along rights, drag-along rights or the launch of a Mandatory Offer as contemplated herein) must be approved by a 75% Supermajority of TopCo.

“Exit Event” means (i) a sale of all or substantially all of the assets, or a solvent liquidation or winding-up of TopCo, or any of its subsidiaries holding all or substantially all of the assets of the Group or (ii) a listing of the Ordinary Shares of TopCo or the shares of any of its subsidiaries holding all or substantially all of the assets of the Group or any other new Holding Company of the Group.

Co-operation:

If an Exit Event is approved, each Ordinary Shareholder undertakes to exercise all voting rights and consent to all amendments to the New TopCo Articles in order to facilitate such Exit Event, provided no Ordinary Shareholder shall be obliged to exercise its voting rights and consent to any amendments to the New TopCo Articles to effect an Exit Event which materially and adversely affects it disproportionately to any other Ordinary Shareholder (ignoring any tax consequences).

In connection with any transfer of Ordinary Shares pursuant to an Exit Event or the exercise of drag-along rights or tag-along rights or the launch of a Mandatory Offer, Ordinary Shareholders shall not be required to provide any representations, warranties or indemnities other than as to authority and title to their Ordinary Shares being transferred.

Information Rights:

As set out in Appendix 2.

IV. Transfers

Transfers Generally:

The Ordinary Shares will be unlisted but freely transferable (including between affiliates and between funds or managed accounts managed or advised by the same investment manager or adviser or by investment managers or advisers who are affiliates), but subject in all cases to:

- (i) the right of first refusal in respect of restricted persons set out below, if applicable;
- (ii) the notice and right of offer provisions set out below;

- (iii) the drag-along and tag-along provisions set out below, if applicable;
- (iv) obtaining any required governmental approvals for the transfer and compliance with applicable laws and orders or decrees of courts or other governmental authorities; and
- (v) the transfer not requiring the publication of a prospectus or the listing or registration of the Ordinary Shares in any jurisdiction where they are not listed or registered.

Any breach of these requirements will render the purported transfer void and TopCo shall not register the transfer.

Notice of Intention to Transfer and Right of Offer:

Each Ordinary Shareholder who intends to sell Ordinary Shares in TopCo (the “Sale Shares”) to an unconnected third party (a “Selling Shareholder”) must notify each other Ordinary Shareholder of its intention to sell the Sale Shares and allow the other Ordinary Shareholders a period of 7 business days (the “Bid Period”) to make a proposal to purchase the Sale Shares. Each other Ordinary Shareholder will then have the right but not the obligation to bid for the Sale Shares and the Selling Shareholder will have the right but not the obligation to accept any offer. If the Selling Shareholder does not accept any of the offers made by the other Ordinary Shareholders, it may sell the Sale Shares to any other person and on any terms during the 60 day period following the end of the Bid Period.

Right of First Refusal:

Each 10% Shareholder will have a right of first refusal with respect to the transfer of any Ordinary Shares in TopCo held by other Ordinary Shareholders (other than in respect of any transfer between or among affiliates) to any “restricted person”. Should more than one 10% Shareholder exercise its right of first refusal, the Ordinary Shares shall be sold to each exercising 10% Shareholder in accordance with their relative pro rata proportion of Ordinary Shares owned before such sale.

Absent a sale to a 10% Shareholder(s) in accordance with the above right of first refusal, the selling party will have the right to sell any such shares subject to the sale to an unconnected third party during a period of 30 days (a “Third Party Sale”).

It will be a condition of any Third Party Sale that (i) the sale is at a price which is no lower than the initial offer price (including the fair market value of any non-cash consideration) and (ii) the sale is on terms substantially similar to the first offer to the non-selling 10% Shareholders. TopCo shall not register any transfer that does not comply with these conditions.

The “restricted persons” referred to above comprise any person who, or any of whose affiliates, is engaged or interested in, directly or indirectly, a business (of a comparable or greater scope or scale than the Group) that competes with one or more businesses carried on by the Group in the same territory, provided that:

- (vi) the Board may approve a transfer of Ordinary Shares to any restricted person;

- (vii) York and any of its affiliates shall not be restricted persons;
- (viii) a person will not be a restricted person only by virtue of holding securities in a restricted person which are quoted, listed or dealt in on a recognised securities exchange or a regulated market, do not exceed 5% of the amount of securities of the relevant class, do not provide disproportionately greater board appointment or other governance rights in such restricted person and are held for bona fide investment purposes; and
- (ix) an investment manager or adviser and any fund or managed account which is managed or advised by it proposing to acquire any Ordinary Shares for bona fide investment purposes for any such fund or account will not be deemed to be a restricted person by virtue of a restricted person holding, directly or indirectly, shares or other equity interests in, or otherwise controlling, such investment manager or adviser, or holding or controlling investments in any fund or account managed or advised by it.

In case of any dispute as to whether a potential transferee is a “restricted person”, a potential transferee will only be a “restricted person” for the purpose of this provision if a majority of the Board, acting in good faith, determine that the potential transferee is a restricted person.

TopCo shall cause an ISIN (or similar number) to be issued in respect of the Ordinary Shares and for the Ordinary Shares to be entered onto a securities clearing system on the Restructuring Effective Date if requested by any member of the Ad Hoc Committee.

Drag-Along:

50% Drag Right

On a proposed direct or indirect transfer (or series of transfers) to a person (other than York or its affiliates) resulting in such person (together with its affiliates) (other than in respect of any transfer between or among affiliates) holding, directly or indirectly, 50% or more of the Ordinary Shares (calculated pre-dilution by the MIP), all remaining Ordinary Shareholders shall, if the proposed buyer so directs at its discretion, be required to sell all (but not less than all) of their Ordinary Shares on at least as favourable terms and conditions and at a price equal to the highest price (including the fair market value of any non-cash consideration) paid, directly or indirectly, to the other selling Ordinary Shareholders for any Ordinary Shares or in the transfer or transfers that give rise to the sale, provided that the consideration received by the Ordinary Shareholders being dragged along pursuant to this clause shall consist solely of cash and/or other marketable securities (including equity securities that trade on a securities exchange or OTC market) (the “50% Drag Right”).

No proposed transfer which would trigger drag-along rights shall take place unless such transfer and all associated transfers (if any) pursuant to drag-along rights take place simultaneously, and TopCo shall otherwise not register any such transfer.

66²/₃ Drag Right

On a proposed direct or indirect transfer (or series of transfers) to a person resulting in such person (together with its affiliates) (other than in respect of any transfer between or among affiliates) holding, directly or

indirectly, 66⅔% or more of the Ordinary Shares (calculated pre-dilution by the MIP), all remaining Ordinary Shareholders shall, if the proposed buyer so directs at its discretion, be required to sell all (but not less than all) of their Ordinary Shares on at least as favourable terms and conditions and at a price equal to the highest price (including the fair market value of any non-cash consideration) paid, directly or indirectly, to the other selling Ordinary Shareholders for any Ordinary Shares or in the transfer or transfers that give rise to the sale (the “66⅔% Drag Right”).

No proposed transfer which would trigger drag-along rights shall take place unless such transfer and all associated transfers (if any) pursuant to drag-along rights take place simultaneously, and TopCo shall otherwise not register any such transfer.

Tag-Along:

On a proposed direct or indirect transfer (or series of transfers) to a person other than York resulting in such person (together with its affiliates) (other than in respect of any transfer between or among affiliates) holding, directly or indirectly, 50% or more of the Ordinary Shares (calculated pre-dilution by the MIP), each Ordinary Shareholder shall have the right (but not the obligation) to require the proposed buyer to purchase (subject to the general requirements for transfers set out above) all (but not less than all) of such Ordinary Shareholder’s Ordinary Shares, in addition to the proposed transfer Ordinary Shares, at a price equal to and on other terms and conditions no worse (from the perspective of the transferor) than the highest price (including the fair market value of any non-cash consideration) paid and most favourable conditions agreed by that person (or its affiliates) to or with the selling Ordinary Shareholders for any Ordinary Shares or in the transfer or transfers that give rise to the sale.

No proposed transfer which would trigger tag-along rights shall take place unless such transfer and any associated transfers pursuant to tag-along rights take place simultaneously, and TopCo shall otherwise not register any such transfer.

Mandatory Offer:

Where an Ordinary Shareholder and its affiliates together holds, directly or indirectly, 75% or more of the Ordinary Shares (calculated pre-dilution by the MIP), such Ordinary Shareholder must offer (a “Mandatory Offer”) to purchase for cash (subject to the general requirements for transfers set out above) all Ordinary Shares held by all other Ordinary Shareholders, and all other Ordinary Shareholder may sell all (but not less than all) of its Ordinary Shares, at a cash price equal to and on other terms and conditions no worse (from the perspective of such other Ordinary Shareholders) than the highest price (including the fair market value of any non-cash consideration) paid and most favourable conditions agreed by that person (or its affiliates) to or with the selling Ordinary Shareholders for any Ordinary Shares or in the transfer or transfers that triggered the Mandatory Offer.

No proposed transfer which would trigger a Mandatory Offer shall take place unless such transfer and any associated transfers pursuant to the Mandatory Offer take place simultaneously, and TopCo shall otherwise not register any such transfer.

Price Disclosure:

Persons (including their affiliates) holding, directly or indirectly, (a) 75% or more of the Ordinary Shares following any transaction (or series of transactions) that would give rise to the application of the Mandatory Offer, (b) 50% or more of the Ordinary Shares following any transaction (or series of transactions) that would give rise to the application of the 50% Drag Rights, (c) 66 $\frac{2}{3}$ % or more of the Ordinary Shares following any transaction (or series of transactions) that would give rise to the application of the 66 $\frac{2}{3}$ % Drag Rights, or (d) 50% or more that would give rise to the tag rights, or in each case described above must notify TopCo and each other Ordinary Shareholder in writing, and provide evidence of the price (including the fair market value of any non-cash consideration) it (and each of its affiliates) has paid during the previous 3-month period for any Ordinary Shares referred to above.

V. Further Equity Issues

New Issuance at TopCo only

Except in connection with an Exit Event, any further equity issuance by any Group company other than an issuance of equity to another Group company shall take place at the level of TopCo. Any statutory preemptive rights under Jersey law shall be disappplied in the New TopCo Articles.

Approval of Issuance

Any issue of Ordinary Shares or other equity interests of TopCo shall be made in good faith, at fair market value and on arm's length commercial terms and approved by the Board on that basis.

An issue of Ordinary Shares or other equity interests by TopCo to a third party vendor in connection with an acquisition of any shares, assets, undertaking or business (an "Acquisition Issue") may be made where such acquisition is approved by the requisite majority of Ordinary Shareholders or the Board (as applicable to the relevant acquisition). For clarity, if the vendor is a person to whom the provisions under "Affiliated Transactions" would apply, those provisions shall prevail.

"equity interest" means (a) any instrument, derivative, document or security granting a right of subscription for, transfer of, or conversion into Ordinary Shares, including any options granted over any such instrument or interest or security; and (b) any interest in Ordinary Shares or any of the items described in sub-clause (a) immediately above.
